Block and Tackle

Block and Tackle is a break from the conventional form of debating. Here, you need to speak both for and against the motion. You start off speaking for the motion and when the moderator says 'block' you need to reverse your motion, and 'tackle' would mean to return to your original motion.

A participant is given any random topic and instantly has to speak, “for or against” the topic. In a duration of 5 minutes whenever the judge commands ‘switch’, the speaker will have to toggle between ‘for’ and ‘against’ multiple times thereby contradicting the previous statements.

RULES :

- Registration is mandatory.
- The required details should be filled with utmost care. once registered, changing the information will not be entertained.
- By registering for the event, you accept that the organizer's decision will be final and binding. No disputes shall be entertained at the later date.
