1. ABOUT THE EVENT

M-Apps club, Sri Sai Ram Engineering College organized a one day Project Exhibition for the benefit of Mobile Application Developers' student community, the APP VENTURE- THE PROJECT EXPO on 20.04.2023, sponsored by AICTE SPICES. The Project Expo received a massive response from various colleges in National Level. 72 students of 26 teams participated in the project exhibition and showcased their mobile applications. Most of the projects are of high commercial value. The APP VENTURE was successfully coordinated by our student representatives on both the days and was judged by a judge from Industry and another judge from faculty of Sri Sai Ram Engineering College. Mr.Sutheesh S, Test Engineer Tata Consultancy, also an innovator, was invited to be the judge from Industry for the day. Dr. Rehash Rushmi Pavitra, Associate professor, Department of AI&DS, Sri Sai Ram Engineering College, was our judge from teaching fraternity. They reviewed the projects individually and finally selected three batches for the first three positions.

Gokul K and Sasna R, of team Thinkable, from Madras Institute of Technology, Chennai secured the first place and won a cash award of Rs.20, 000, followed by Hemanth Kumar M , Gowtham Kumar P, Hariprasad S, Balakrishnan M of team Ethic Electronics, Adhi College of Engineering secured the second position and won a cash award of Rs.10,000 and Sujana B, Jai Vignesh R, Navin Kumar M of team Try Catch from Sri Sai Ram Engineering college, won third position and secured a cash award of Rs.5,000. Mr.Sutheesh S, Test Engineer Tata Consultancy, India, gave the Keynote address on SDG Goal based application Development. He explained about the innovations he developed and applied for patent with our students. He also explained and motivated our students to start their own startups as many of the projects he witnessed in the project expo were of commercially high value. The Valedictory function was a grand success with the participation of Dr.K.Porkumaran, Principal, Sri Sai Ram Engineering College, along with staff coordinators Dr.T.Sheela, Head of the Department of Information Technology, Dean of Networking, Ms.S.V.Juno Bella Gracia, Assistant Professor, Department of Information Technology, Ms.J.Julie, Assistant Professor , Department of Information Technology and student coordinators.

Students from various colleges in and around Chennai. They showcased their wonderful creations. Few colleges to be specifically named such as SRM Institute of Science and Technology, VIT Chennai, Madras Institute of Science and Technology, Adhi Engineering College, Sai Ram Institute Technology etc., Students from various colleges gave a wonderful feedback stating that they have witnessed a well-organized program. They said that the infrastructure provided to display their project was sufficient. They also were happy about the food served, the hospitality provided. The chief guest gave a good feedback about the projects displayed. On the whole this event was helpful to the student community as well as a knowledge occurring forum for the students who witnessed the display of the projects.
