STUDENTS FEEDBACK:

FEEDBACK

for mobile development workshop

M-App Club

1 Aparna

rathikathevar@gmail.com

It was a great experience.concept were more clearly explained

2 Nivedaa

anivedaa@gmail.com

we learned a lot about android development and had a clear picture about the basic concepts

3 Reshma.R

reshmaravichandran17@gmail.com

it was good.and entire session was very interesting

4 Vishwaam.T

vishwaram2212@gmail.com

The 2 day session was interesting i learned a lot in android app development.looking forward to learn more in app development

5 Sreeram.G

sreeramgunasekaran@gmail.com

This workshop is very useful for me and i finally learnt that basic android knowlwdge is enough to create

6 Vishuvapandi

vishuvapandi@gmail.com

it was a wonderful experience. This workshop gave me nice experience on basics and in detail. I kindly request you to conduct more

7 Vignesh Raja

vigneshraja3009@gmail.com

I liked the workshop very much .I learned some of the basics of Android Studio .I would like to learn more.If i'm given chance I would definetely attend the free online training with utmost co-operation

8 Eniyan S

iameniyanarvindh@ieee.org

This was my first hands on training under android development. Workshop was very nice.But time was not enough to continue with your speed.Thanks for your hands on training and also giving chance to attend free webinar

9 Boomija.G

boomija113@gmail.com

Excellent sir.had a new experience in working on hands on session . Thank you for your guidance

10 Charu Preeti. B

charupreeti18ind@computer.org

it was very much useful.the two days workshop was really not enough for us .We need much more of training in the same

11 Gurushankar S

lionfish100@gmail.com

Really enjoyed the session and learned the basic of android app development.Thank you for your for your kindness and peace.
